# The Bell Avenue Church of Christ Beacon

February 17, 2019

Vol 59 No 07

His Shoes. Her Shoes.

The institution of marriage, created and ordained by God, is one of the building blocks of a strong society and a strong church. Its imagery runs deep in both the Old and New Testaments of the Bible as demonstrated in the covenantal relationship between the LORD and His people. In the same way that He desires and expects us to faithfully love and serve Him, He desires and expects husbands and wives to love and serve one another.

This isn't always easy. With conflicting work schedules, the addition of one or multiple children, various health concerns, and other responsibilities and distractions, sometimes it's downright hard for husbands and wives to give their marriages the full attention they need and deserve.

At Bell Avenue, we are committed to strengthening and nurturing our marriages and families so that we can continue to be a light to our friends and neighbors in Amarillo and throughout the world. In order to help us in that endeavor, couples of all ages are encouraged to clear their schedules and mark their calendars for Saturday, April 13. Between the hours of 9:30 AM and 3:30 PM, Wayne and Tami Roberts will present their seminar: "His Shoes. Her Shoes" at our building.

The Roberts have been married since 1981. Since then, they have raised five children and have been together through more than twenty years of ministry. Young and old alike will be blessed to hear from this godly couple and learn how to strengthen, revitalize, and fireproof their marriages.

Please note that a catered lunch will be provided at the seminar. Also, in order to ensure that our younger married couples will be able to attend, we are seeking several individuals who would be willing to watch the younger children. A sign-up sheet will be placed in the foyer.
