

## Doug's Corner

On Sunday, May 19th we will be honoring Sydney McColl with a Graduate Lunch as she graduates from Caprock. There is a sign up sheet in the foyer. We ask that each family brings a side dish or salad. The main dish and dessert will be provided.

Our teens have many great activities to be a part of this summer, including camps and mission trips. With these comes having to pay for these activities. To help out, our teens are willing to serve you in many ways, all we ask is a donation to our youth group. If you have some jobs you would like done this summer, please talk to Doug and we will schedule you in. Thank you.

It is time to work on VBS prep. We need to borrow some items for decorating. If you have a cot, old tarps, preferably army drab or tan, and an old lantern, please let me or Jennifer Williamson know. Sign up sheets for helping with VBS are in the foyer. We need all the help we can get.

**5 PM Service:**

**“When the Son of Man comes...”**

**Romans 2:13**

Good morning, friends and guests! It's another great day in the Texas Panhandle and I'm so glad that you have made the conscious effort to be here as we lift our voices together to praise and worship God in spirit and in truth.

While declaring His goodness and commemorating His death on the cross are the primary reasons we gather each Sunday, most of you know that today in particular is a very special day for many women throughout the United States. Since 1911, Mother's Day has been a nationally recognized holiday honoring those special human beings who conceived us, carried us, and cared for us in spite of our failure and even refusal at times to express proper gratitude.

And, although not every woman chooses or is able to become a mother, many women still perform "motherly" duties as teachers, nurses, coaches, advice-givers and many other important roles. Today, we celebrate *you* too.

Not only that, but we give glory to God in whose image both male and female were created (Genesis 1:27). The warmth of a mother's hug, the tenderness of her touch, the wisdom of her speech, and the undying love of her heart are all given to her by our incredible God who bears the selfsame qualities.

So today, whether you're a mother in the traditional sense, or whether you simply have one or several children that you love, encourage, and support as a mother *would*, we thank the Lord for you and for everything great and small you have done and continue to do for those entrusted in your care.

Happy Mother's Day!
